SHRI SHANKAR MAHADEV BIDARI has earned a formidable reputation as a dynamic, dedicated, brave and capable officer right from the beginning of his service. As ASP he suppressed gambling and illegal activities with a heavy hand, displayed rare courage, confidence and ability. He handled serious law and order problems in the face of risk to his life and excelled in prevention, detection and investigation of crimes. He served with distinction as SP in Mandya, Chitradurga, Tumkur, Bellary, Railway Police and Dharwad Districts and brought about impressive improvement in the Police administration of these districts.

In 1982 he was hand-picked to serve as SP Mandya District when the district was seriously afflicted by communal disturbances, farmers agitations, labour agitations and caste conflicts. By his hard work, bravery, administrative and investigation skills and ability to lead his men, he restored order in Mandya District and ensured that General Elections to the Assembly in 1982 were held peacefully. In 1988, when Tumkur District was in flames on account of a dispute in a religious institution, he was posted as SP Tumkur District. He dealt with the situation boldly and impartially with a firm hand and restored order in the district.

In 1990 as SP Bellary, he ensured that his district remained as the only incident-free district when all the districts in the state were affected by serious and widespread communal disturbances in the wake of Ram Shila Yatra. His role in suppression of antiTamil riots in 1991 in the wake of notification of interim award of the Cauvery Tribunal and implementation of the Supreme Court Orders in the Kabini Dam area in 2002 earned widespread appreciation.

He organised, supervised and personally led the investigation in the sensational and serious cases like the Mahalakshmi Train Dacoity cases, nation-wide racket of diversion of railway wagons, arrest of a number of dacoity gangs and detection of more than 200 dacoities which had taken place through out South India, cases of highway dacoities in Bellary District and arrest of several other gangs of robbers, chain snatchers, smugglers and the racket of smuggling of ammunition to PWG in Andhra Pradesh from Goa, large scale theft of components in HMT factory and numerous burglaries and chain snatching cases.

As DCP Headquarters, Bangalore City, he played a key role in the arrest of LTTE militants Shivarasan and Shuba who were wanted in Rajiv Gandhi murder case. With a small team, he traced and arrested 10 ULFA militants who were hiding in Bangalore City and wanted by Assam Police. In September 1990, he made a bold attempt to nab a wanted terrorist of Andhra Pradesh by name Bimala Naik who was hiding in a farm house near Bellary and in the encounter, Bimala Naik was killed. He served as an Escort Officer to late Shri Rajiv Gandhi, the then Prime Minister of India during the SAARC Summit in 1986.

In February 1993, he was posted as Commander, Task Force, Malaimahadeshwara Hills to trace and arrest the notorious sandalwood smuggler, elephant poacher and killer Veerappan and his gang members when the force was totally demoralized after repeated terrorist acts committed by the gang. In this challenging assignment, he worked hard in a systematic manner with zeal, determination, courage and gallantry in extremely difficult circumstances in hostile and difficult terrain for a period of three and half years. He led his force from the front against the gang in a number of encounters. The gang which was having more than 150 members, 135 firearms and 3 tonnes of explosives in 1993 was decimated to 5 members by April 1996. Under his leadership, 60 gang members were killed in various encounters and 126 gang members and harbourers were arrested and 58 cases were registered and investigated and charge sheeted. Four of the arrested gang members were convicted to death sentence by the Supreme Court. He recovered more than 3 tones of explosives and 126 fire arms. Fortitude, courage, gallantry, investigation, intelligence and leadership skills, displayed by him in this operation are exemplary and unprecedented in the annals of the Indian Police. For his outstanding work, the Government of Karnataka rewarded his team with a cash reward of Rs.8 crores and a personal reward of Rs.160 lakhs. In recognition of the conspicuous courage and gallantry displayed by him in the operations, he was awarded the First Bar to the police Medal for Gallantry by the President, on the Republic Day, 2011.

He was selected to serve as Dy. Inspector General of Police, Intelligence in June, 1996. He was promoted to the rank of Inspector General of Police in 1998 and was continued in the Intelligence branch as IGP. As DIGP Intelligence, he formulated the proposals for the formation of seven districts and ably assisted the then Chief Minister late Shri J.H.Patel with intelligence inputs in the field of maintenance of law and order, prevention of communal incidents, matters related to Cauvery river water dispute and sharing of Krishna river water, with drought situation and administration of the State. He streamlined the efforts to deal with and detect the foreigners over-staying in India.

He visited Israel, France and United Kingdom as a member of the State Government Delegation and studied the police systems in these countries in 1996. He also visited USA as a member of the Central Government Delegation and studied the AntiTerrorist measures taken in the USA in the year 2003.

In October 1999, he was posted as IGP, Planning, Research and Special Units. He attended to the work of planning and reallocation of the Police Force, creation of new Police Stations and improvements of the State Police administration.

In the year 2000, he was posted as IGP, KSRP. He attended to the work of providing infrastructure to all KSRP battalions and improving the discipline, morale and expertise of the Karnataka State Reserve Police. In 2002, he was specially deputed to deal with a serious agitation of farmers in the context of the orders of the Cauvery River Water Dispute Tribunals, at Kabbini Dam in H.D.Kote Taluk of Mysore District. He handled this agitation with distinction and earned encomiums from the Justice Mohd. Anwar Commission of Inquiry.

In 2004, he was posted as IGP, Central Range. He improved the administration of the districts in Central Range and supervised the bandobust arrangements for elections to the Grama Panchayats, Taluk Panchayats and Zilla Panchayats. He supervised the investigation in Nelamangala liquor tragedy cases and ensured the arrest of all the persons who were responsible for the liquor tragedy. He took initiative and detected large-scale cultivation of poppy in Kolar District.

He was promoted as ADGP in August 2005 and was posted as ADGP Administration in the State Police Headquarters. As ADGP Administration, he brought about impressive improvement in the administration of the State Police Department.

He was posted as ADGP, Law and Order in June, 2006. As ADGP Law and Order, he took initiative to curb and control the activities of the Maoists in the Malnad districts of the State and to improve the performance of the Anti Naxalite Force. A number of Maoists were arrested and some of them were killed in the encounters with the Police parties. He put down rowdiness in Shimoga and Belgaum districts with a firm hand. He paid special attention to restoration of communal harmony and suppression of communal elements in the coastal district of Dakshina Kannada (Mangalore). He organized and supervised the bandobust arrangements in connection with the agitation that took place in the wake of publication of final award of the Cauvery River Water Disputes Tribunal. He organized and supervised bandobust arrangements in connection with the General Elections to the Karnataka Legislative Assembly in May, 2008 and ensure that the elections were conducted in an exemplary manner and peacefully. It is to his credit that during his tenure as ADGP, Law and Order, not a single incident of Police firing took place in the State of Karnataka. He strived hard to establish the Coastal Security Police on a sound footing. He handled the spurious liquor tragedy, which claimed 200 lives, with dexterity and courage and ensured that all the culprits were brought to book.

After a brief stint as ADGP, Intelligence for a period of one month, he took up the responsibility of serving as Commissioner of Police, Bangalore City on 11th July, 2008. As Commissioner of Police, Bangalore City, has maintained peace, law and order and communal harmony in Bangalore City for the period of 2½ years and maintained the city free from any law and order or communal incidents. He brought about unprecedented improvement in the prevention and detection of property offences and recovery of stolen property. The recovery of the stolen property in the year 2010 in Bangalore City was more than 86% which is a record not only in the country but also in the world. He implemented many innovative measures successfully, like communication of the status of the investigation and prosecution of all cognizable cases to the complainant by SMS, supply of fuel to Police vehicles by petro cards, which has resulted in savings of more than Rs.1 crore per month and held Jana Samparka Sabhas on 3 days in a week with Women Counsellors in attendance to redress the grievances of the public. He brought about impressive improvement in the functioning of the City Police.

He was posted for a brief period as ADGP, Railways in the month of May, 2011. He was promoted to the rank of Director General of Police and posted as DGP, CID in August, 2011. As DGP, CID Karnataka, he supervised the investigation of many sensational cases including a case referred by the Hon'ble High Court regarding scam in Karnataka Public Service Commission. He was appointed as DG & IGP (Head of the Police Force) Karnataka in November,

2011. As head of the Karnataka State Police Force he extended the Arogya Bhagya Health Scheme to the parents of serving Police personnel and got the Government approval for enhancement of the ex-gratia payment to the families of the Policemen who die while in service from Rs.3 Lakhs to Rs. 10 Lakhs. He brought about all round improvement in the working of the Karnataka State Police. In the month of March 2012, he was transferred from the post of the DG & IGP (Head of the Police Force) on account of a High Court Order which held him responsible for alleged violation of certain human rights. He preferred an appeal in the Hon'ble Supreme Court which gave the judgment in his behalf. He retired from service after 42 years of distinguished service, in May 2012.

For the last 42 years, he has served the State with honesty, sincerity, dedication and zeal of a very high order and has displayed outstanding investigation skills, courage, dedication and leadership qualities. His performance in the Police Administration, maintenance of law and order, communal harmony, protection of weaker sections, prevention and detection of crimes, VIP Security, Police Welfare and anti terrorist operations has been consistently outstanding.

Many reputed institutions and associations all over the State have honoured him with titles like "Vishwasari", 'Kayashari', "Basawashri" award carrying a cash component of Rs.5 Lakhs by Shree Murga Mutt, Chitradurga in the year 2012 in recognition of his distinguished service to the society, "Tippu Sultan Award", "Sri Vishveshwaraiah Award", 'Pride of Karnataka', 'Shishunala Shariff Award', 'Kumara Rama Award', Karnatakashri Award", "Mallikarjun Mansoor Award", "Sangolli Rayanna award", "Dr. Ambedkar Award",. In recognition of his public services, he was conferred the Hon. Degree "Doctor of Laws" by the Gulbarga University in February, 2012. He is married to Dr. Umadevi Bidari, M.B.B.S., DGO who served in the Karnataka Health Department as a Specialist upto 2001. He is blessed with a daughter and a son. His daughter Smt. Vijayalakshmi Bidari Prasanna secured 1st rank in the Civil Services Examination -2001 and is now serving as an IAS officer in Maharashtra State. His son-in-law Shri Mallikarjuna Prasanna is also an IPS officer of 2000 batch and is now serving as Superintendent of Police, Satara District in Maharashtra. JEEVANA DARSHAN PROGRAMME 2015-16

Dr. J. S. Patil Retired Vice Chancellor, Karnataka State Law University (KSLU)

Jeevana darshan programme : (personality development lecture series)

On 14th September 2015 at 10-15 AM, in front of the college library, Jeevana Darshan Programme (Personality Development Programme for students) was organized. **Dr. J. S. Patil,**

Retired Vice Chancellor, Karnataka State Law University (KSLU) was the Chief Guest in this programme. Around 1500 students, faculty members, retired principals, trust secretary, administrator, alumni teachers from our sister institutions, press and selected few public who witness this programme have appreciated this programme. Totally, the programme was useful in moulding our student's personality.

EXAMPLE OF MR. RANDY PAUSH:

While addressing Dr. J. S. Patil, inspired our students by citing the example of book called 'Last Lecture' by Randy Paush, a professor of computer science at Carnegie Mellon University in Pittsburgh on 18th Sept 2007. The topic of his last lecture was what wisdom would you try to impart to the world if you knew it was your last chance ?

In this book Paush remarks that people told him he looked like he was in perfect health, even though he was dying of cancer. He discusses finding a happy medium between denial and being overwhelmed.

INDIA A POWERFUL NATION :

While speaking about India's renaissance, Dr. J. S. Patil said 1/6th of global population are in our country, as such it will be a powerful country in another two three decades with the advancement of science and technology in India. However he expressed dissatisfaction because he says we lost our glorious tradition and civilization dues to the foreign invasion. He added that Indians in modern India are still under the influence of colonial distortions. Thus, he called upon our students to relearn, learnt and forgotten aspects of Indian tradition and culture.

APPRECIATE THE LIFE AND ACHIEVEMENTS OF LATER APJ ABDUL KALAM :

In this occasion, Dr. J. S. Patil, who himself being the close associate with later President Dr. APJ Abdul Kalam never forget to appreciate his life and achievements, who was always be the source of inspiration to the youths of this country.

He further added, in order to rebuild the country, students are to adopt a good Indian Tradition, have a good friends, read good books, and wear khadi (atleast once in a week) and follow the path of truth and non-violence.

The programme was successful and beneficial to the students due to the active support of students and proper planning of the principal and staff as per the direction of the management.

JEEVANA DARSHAN PROGRAMME 2015–16

1. Sri. D. H. Shankarmurthy,

Former Education Minister and speaker of Vidhan Parishat& Present MLC

Jeevana darshan programme : (personality development lecture series)

On 15th October 2015 at 9-15 AM, in front of the Sri Gavisiddheshwar College Library building, Jeevan Darshan Programm was arranged. In this programme, **Sri. D. H.**

Shankarmurthy, Former Education Minister and speaker of Vidhan Parishat& Present MLC was invited as the Chief Guest for the first time in the history of our college.

While addressing our students, Sri.D. H. Shankarmurthy, has brought the attention of India's richness in education system by citing the example of our good old famous Nalanda University of Bihar. He said, India's tradition of richness of educational system was destroyed by foreign aggressors like Mughal, French, Dutch and later by the Britishers. These foreign rulers have not only destroyed our educational system but also looted our rich resources and have created on inferiority complex in the minds of Indians. However, we have retained our culture, tradition and our own way of life because of our own special character i.e., "INDIANNES".

Speaking on the occasion, he gave call to our students to have a "DREAMS" in their students life. And in order to achieve success, he strongly asked our students to read and remember the stories of the winner personalities and not the failures stories as their guiding principles in order to develop the self confidence and achieve success. Then only India will be the top most developed country in the world in 21st century as visualized by our late president of India Dr.A.P.J.AbdulKalam.

It is a coincident that, as this programme has been arranged on 15th October, which is the Birth Day of Late Dr.A.P.J.AbdulKalam, was also been celebrated as 'International Student's Day'.

As many as 1500 students, college staff, trust members, administrators, retired principals, students of our sister institutions, media persons and selected public have witnessed the inspiring speech and appreciated applauded the programme.

One hour Jeevan Darshan speech programme of Sri. D. H. Shankarmurthy was benefited to our students in shaping and sharing their personality and have created the self confidence in the goal.

Later after the speech programme, a press meet for about half an hour was held with the Chief Guest in the college staff room, where in a media persons tossed their varied questions relating to the medium of instructions in our educational system, gang rape, and other present problems faced in our state.

After the press meet, a student's interaction for an hour was arranged with the Chief Guest in our college auditorium hall, where in our students have asked varied questions like, relevance of reservation, ban on cow slaughter, uniform civil code in India, regional discriminations, effects of RTE Act in the educational system in Karnataka. Being seasoned politician and member of legislative council, to all queries, our Chief Guest answered calmly and satisfactorily.

The JeevanDarshan Programme was begin with the pronouncement slokas "TamasomaJyotirgmaya.... Om Shati, Shanti" by the BBM Girl students of S.V.Kotbal College, Kum.Shakuntala of S.G.College have sung the prayer song. Prof.Sharanabasappa Biliyeli have performed the master of the programme.

Sole Trustee of S.G.V.V.T's His Holiness Sri Abhinava Gavisiddheshwar Mahaswamiji of Gavimath, Koppal is brain behind in successful organizing this program.

Self-confidence plays vital role in personality development: DHS

'British changed education system in India to suit their purpose'

KOPPAL: "The younger generation should not allow minor defeats and negative mindset to bog them down, but should proceed in their endeavour with confidence, only then their overall personality would develop," stated Chairman of Karnataka Legislative Council, D H Shankarmurthy.

Speaking at a 'Jivan Darshan' programme held at Gavisiddheshwar College in Koppal on Thursday, he said, Indian history is replete with sacrifice, service, honesty, truthfulness, and these values have been permanent features of Indian culture.

"It is indeed a matter of pride that these values have still in existence. The Indian values had withstood continuous attacks from abroad. But, when the British arrived in India, they slowly brought changes in the

Karnataka Legislative Council Chairman D H Shankarmurthy speaking at 'Jivan Darshan' programme held at Gavisiddheshwar College in Koppal on Thursday. DH PHOTO

education system, and created inferiority complex and submissive culture among the Indians. Because of this atmosphere, the younger generation of India developed antipathy towards Indianness," he said.

The foreigners never present their defeats, and failures, which are numerous, before the younger generations. But, the Indians are different, and glorify their defeats more. Because of this attitude of Indians, the younger generation in India

is devoid of self-confidence and mental toughness, he explained.

He nevertheless sounded optimistic about the future of India, and credited the present day achievements of the country to the youths of India.

"Most of the problems faced by India could be traced to historical and social reasons. These problems could be addressed by finding out the real reasons through practical education," he added.

Gavisiddheshwar Swamiji graced the occasion. Shankarmurthy was felicitated by Sanjay Korbai.

After the speech, Mr Shankarmurthy took part in the interaction with the students.

Trust Administrator Maregouda, Principal M S Dadmi, Prof Parikshitraj, Prof Rajarajeshwar Rao, Prakash Badiger, and Prakash Ballari were present.

JEEVAN DARSHAN PROGRAMME 2016-17

Sri. Mahesh Mashal

Chairman of Adept Education Institutions, Management college from Dharwad

As a part of our best practice, on 10th August 2016 at 10.00 AM, in front of our college library building, JeevanDarshan Programme (Personality Development Programme

for students) was arranged for our students. In this programme **Sri. Mahesh Mashal**, Chairman of Adept Education Institutions, Management college from Dharwad was invited as the Chief Guest. While addressing to our students Sri.Mashal asked the students the meaning and purpose of formal education up to

the age of 21 years and what is life after completing education and what should be our aim of life? He said that many people do education to get employment and earn money and those who are in the profession are not living happily, because either they are tired or get bored. So to remove this tiredness and bareness one should understand their inner potential and strengths before doing the job. There should be combination between intelligent and interest to achieve success in professional life.

Sri. Mahesh Mashal further explained the purpose of education is not only to get good marks and qualifying to get job but to think beyond that to find your existence in life. Because God has given special potential software to every person, animals, birds, ants and trees to do natural things according to their potentials. Thus students should start thinking over their potential and strength and money spent by parents while getting education at the college level. To make his speech more convincing, he cited the ordinary professions like PaavBhaji&PaniPuri maker, Egg Rice maker, Tender coconut, Juice seller, Tea-Coffee supplier in train compartments whose daily normal earnings from Rs. 800 to Rs. 3000 which requires just one week training but students who are spending 17 years' time and spending 3 to 4 lakh rupees unable to earn just Rs. 10,000. In such case, students must seriously question themselves about what should be their goal in their life after completing the education. In this connection he appealed to our students to understand their potential and strength before selecting course itself and try to find out their inner potentials. He referred the quotation of SwamyVivekanand-“The purpose of education is manifestation to find out the perfection in man”. Thus, in his concluding speech, he said that education is not only restricted to get certificate but to find out once potential & strength. Develop knowledge when both potential and good communication

combined, a good human product will come up. In this connection, he cited his own life experiences and achievements in his 40 years life.

The one hour JeevanDarshan Programme was simple but most convincing to the students in moulding their potentiality. The programme began with prayer song Kum.Shakuntala and Shantimantra by Kum. Vibha and others. Prof. Sharanabasappa Biliyeli made the welcome speech & carried out the master of the ceremony. Principal, Staff, Retired Professors, around 1200 students of our college, students and staff of the S.V. Kotbal College, Koppal have attended in this programme.

'Jivan Darshan' prog
'Identify hidden power within you'

KOPPAL: Adept Group of Educational Institutions Founder Mahesh Masal called upon every one to identify and be aware of the hidden power within them.

"Every one is intelligent, and should be aware of the hidden power within," he stated.

Speaking at 'Jivan Darshan' programme held at Gavisiddheshwar Arts, Science, and Commerce College in Koppal on Wednesday, he said, God teaches us several things through the nature. However, we have closed our eyes to this. Birds and animals make use of all the parts of their body to live. The cranes use their beaks to satisfy their needs. There are birds on earth which traverse 13,500 kilometers in just 8 hours and 30 minutes. Small birds do something which cannot be matched by even aeroplanes. If these small birds and animals could achieve such great feats, then imagine what could human beings, considered the greatest creation of nature, achieve using his abilities, he explained.

He said, scoring highest marks should not be the sole purpose of student's life. No student should worry for scoring less marks. Those who get

less marks are not less intelligent. In fact, those who do not understand themselves are the ones who are not intelligence.

"Intelligence alone will not suffice, but one should also possess interest and dynamism. The God has installed software in every living being. The software does its work properly. Human beings too have been equipped with unique software, and they should respond to its abilities. The educational institutions have been set up for the sole purpose of bringing out the hidden talents within

you," he said.

"All these years, you have been trying to understand the hidden potential in you. One day you have to find security in your life. You have been and will continue to pursue your entertainment activities, but keep this desire aside while thinking about your life. Those who understand their strength, talent and power have gone on to become great human beings," Mr Masal advised the students.

Principal M S Dadmi, and Prakash Ballari were present.

JEEVAN DARSHAN PROGRAMME 2016-17

Sri. Y. S. V. Datta

present and long standing popular MLA of Karnataka Vidhana Soudha

On 3rd September 2016, JeevanDarshan Programme was arranged for our students at 10:30 AM in front of our college library building. In the process of best practice of our college to make

our students personality development programme more effective and meaningful. This time we have invited **Sri. Y. S. V. Datta**, present and long standing popular MLA of Karnataka Vidhana Soudha of Kadur constitution and who himself has started his career with the teaching profession with more concern to the students community.

The programme began with prayer songs and shanti mantra followed by honouring the chief guest by our principal. It was moderated by Prof. Sharanabasappa Biliyali, Dept. of Economics.

Addressing to our student gathering, Sri. S. V. Datta tried to bring our students attention towards – what is meant by Jeevan Darshan in its real sense by making difference between ‘life’ and ‘living’ and ‘person’ and ‘personality’. In his speech, he tried to convince our students by giving his own life experiences and challenges in getting his high school education with minimum facilities and with the rural background. He gave the Clarian call to our students to give up their inferiority complex, because all great achievements of our country are done by the students with the rural background only. In this connection he cited the example of life and achievements of C.N.Rao and Ramanujan, who with rural background and not studied at convent school, but made remarkable achievements in their career and given their valuable contribution to the nation.

Thus, he asked our students to develop confidence by giving up their inferiority complex and keep role model of the life of the great achievers. He said, life experience and poverty are to be taken as a stepping stone for the success. By citing Sri Basavanna’svachanas, how (akkasaliga) goldsmith prepares the valuable gold ornaments by adopting various processes, likewise, all students must keep in mind, understand about the hard reality of life and come out with the good achievements.

He further reminded our students that today’s digital space has transformed almost every phase of life. The internet users get a wider and deeper access to the contents like required information, songs, books software etc., to a great extent the digital space has democratized the knowledge and information at the nominal cost. No documents, internet digital space has provided

modern facilities but we are losing many good moral values of our life. Meanwhile, he said, “knowledge come but wisdom lingers”.

In his one and half hour speech, Sri. Datta – called upon our students to develop the art of questioning why and how in their student’s career because great inventions are made by out of ‘curiosity’ and ‘interest’. In this connection he cited the story to our students about how the invention of Edward Jen, an American Doctor, who invented the medicine for Smallpox helped to eradicate the small fox disease from the world itself.

The programme was attended by the principal, staff, media persons and around 1200 students of our college and our sister institutions. Overall students response was also attentive, delightful and expressed positive reactions. Later, some students participated in the interaction session with the chief guest held in the seminar hall. In all, this programme helped the students to enhance knowledge & skills to face real life situations and inculcate values along with their graduation certificate.

Basavaraj Patil Sedam

Kalaburgi: Clad in his characteristic white jubba and pyjama, he is a familiar figure visiting school and colleges, fields and farmhouses, inspiring people from all walks of life to become vehicles of change. At 71, senior BJP leader, Basavaraj Patil Sedam remains a man with a mission.

Unlike most politicians, this Rajya Sabha member hardly indulges in politicking, and devotes most of his time and energy to encouraging the people of the backward Hyderabad Karnataka region to dream big.

Although he has been member of the 12th Lok Sabha and president of the BJP in the state in the past, today he remains aloof from Vidhana Soudha and even his own party not bothering to take part in any of its programmes while it was in power in the state from 2008 to 2013.

So inspired was he by famous ideologue, K N Govindacharya's novel concept of "My Village, My World," that he took it to heart and began to work on these lines himself.

In 1974 he founded the Kottala Basaveshwara Bharateeya Education Society in Sedam, one of the most backward towns in the region. Beginning from a single room school it now educates over 8,000 students.

And to cure the people of the "backwardness" tag he set up a Hyderabad-Karnataka Development Cell and in 2008 organized a mega event under the banner of Jaagrituhi Jaatha in Sedam town, inviting many eminent persons from the region such as former Supreme Court judge, Shivaraj Patil, IPS officer, Raghavendra Auradkar, famed cardiac surgeon, Vivek Jawali, and agriculture scientist, Dr S A Patil to drive home the point that anything is possible if only one tries hard enough.

He followed it up with the 10-day Kalaburgi Kampu to dissuade people from only aiming for government jobs and show them how they could become self-reliant.

His mantra then and always has been, "Naukari Maado Kaigaligintha, Naukari Needo Kaigalu Shreshtha. Swavalambi Baduku Ananya Saarthakathe Vadagisuthade (Giving jobs is holier than doing a job. A self-reliant-life provides immeasurable satisfaction).

His Vikas Academy hopes to now train five lakh youth in vocational skills over the next 10 years so they don't leave their villages for cities in search of jobs and he also plans to establish a 1000 training centres in tailoring targeting women.

"I believe that these changes can be brought about only through community participation. I'm asking the people to work two hours extra, make a 20 per cent saving by cutting down their expenditure and donate two per cent of their earnings to the development of the region.

With the right blend of knowledge, perseverance and donations, I can achieve the dreams I have set for Hyderabad Karnataka," he says, seeing his age as no barrier to his long term ambitions

JEEVAN DARSHAN PROGRAMME 2016-17

Sri.Basavaraj Patil Sedam, Educationist and RajyaSabha member

on 12th September 2016 at 10:30 AM JeevanDarshan Programme was arranged in front of our college library building. This time, in order to boost the confidence among our students, second time, **Sri.Basavaraj Patil Sedam**, an Educationist and RajyaSabha member was invited as

the chief guest of this programme.

The programme began with prayer song and shanti mantra by Kum.Vibha and others. Later our SGVVT Secretary and Administrator honoured our chief guest with garland and shawl.

Addressing our students to clarify the meaning of real Jeevan Darshan – he said students should not only restrict themselves to get good marks, degree and jobs because job opportunities are very few and job seekers are many. Even after getting good marks in the career, one should get the realization of JeevanDarshan. Many with higher education qualification are in search of job just to get economic security only. In order to realize the JeevanDarshan in their life students were asked to realize and understand their inner capacity and strength. Because students have got his inner capacity and abundant strength. By knowing this very well and apply it in real life situations, they can win this world. Hence he asked our student to develop and achieve success in life according to choice and inner capacity without worrying about others criticisms.

In his one hour speech, he concluded by advising our students to follow two things, one is to develop humanity in the life, second is to become great man by the good efforts and works and give contribution to the society/nation by serving at the lower level of work. For this he cited the example like if not possible to become a doctor (due to of good marks) one can serve the patient by becoming nurse, donating the blood to patients, appointing other officials in the medical field. Thus Sri.Basavaraj Patil asked our students to develop the qualities like compassionate towards others and other values along with college education. One can realize JeevanDarshan step by step in his life time. In this connection he also cited the example of the dialogue between King Janaka Raj and Ashtavakra.

The programme was attended by management members, principal, staff and around 1100 students. Students' response was most attentive and positively responded. Later, interaction between students and the chief guest was arranged in the college seminar hall. Overall the programme's aim was to build confidence among our students in their carrier.

JEEVAN DARSHAN PROGRAMME 2016-17

Dr.Gururaj Karjagi popular Educationist, great orator

(On the message of Dr. Abdul kalam)

By the Joint effort of our college and Vikas Academy, Gulbarga and Sri Kottalbasaveshwar, Basava Education Society, Sedam, we arranged the Jeevan Darshan

Programme on the topic “Messages of Dr. Abdul Kalam” for our students on 23rd September 2016 at 10:15 AM in front of our library building. **Dr.Gururaj Karjagi**, who was the close associate of Dr. Abdul Kalam since 2011, a popular Educationist, great orator, was invited as the chief guest to deliver the special lecture.

Addressing our student gathering he said, how Kalam with a poor family background, a low quality school education struggled hard to achieve his success in his life career by citing various examples of Kalam’s life. Kalam’s life was very much influenced by his school teacher who the flying bird which is powered by its over life. Kalam started his career in the field of Engineering, later he joined the military academy, made a lot of hard work. Thus became a missile man of the nation and was awarded the highest civilian award “Bharata Ratna” and when Kalam became president of India. During his tenure he was popularly known as a “people’s president”.

Dr. Gururaj Karjagi further told to our students about the great passion of Dr. Kalam in the field of science, technology, teaching and also above all a good human-being. Hence, he gave call to our students to keep Dr.Kalam as their role model. As each student is unique in this world, one should find one’s own path, do not follow the path shown by others & not to loose individuality. He said, “Always have a faith in your self-confidence give up inferiority complex and do continuous efforts by hard work till achieve your success”.

Explaining the examples of life experiences of Abdul Kalam, he said although Kalam became the president of India, he lead simple life as a good human being and never forgotten those persons who served him or helped him in his life time. Understanding the greatness of Dr. Abdul Kalam, adopting his messages by every student is very much essential because Kalam had immense love for student community. Always liked to share his vision and ideas with them. Recognising this great quality of Dr. Abdul Kalam, and in order to disseminate the messages of life experiences and understand selfless service to the mankind, the United Nation has declared Dr. Kalam’s Birth Day (which falls on 15th October) as to celebrated as ‘World Student’s Day’ all over the world. In his concluding remarks, he said, “do hard work, respect your parents, sacrifice and their wards and follow the guidance of your teacher and develop the self confidence in your life. Do not disappoint your parent’s expectation”.

The programme was systematically arranged by active involvement of staff and support of the management. At the beginning Kum.Varshini song a prayer song, and that was followed by “Shanthi Mantra” by Kum.Vibha and others. The programme was anchored by Dr.Basavaraj Pujar and welcome speech by the Prof. Sharanabasappa Biliyali.

After the programme-an interaction session with the chief guest and students was arranged in the college seminar. Our students asked many questions relating to how to develop self-confidence, concentration, nature of study. As the chief guest himself was basically a teacher, understanding the student problems, re-answered their queries in most convincing manner overall the programme was useful to boost confidence of our students.

BIOGRAPHY OF SHRI SHANKAR MAHADEV BIDARI

Shri Shankar Bidari was born in Galagali village of Bilagi Taluka in Bagalkot District on 27th August, 1954. He hails from a middle class family of Banahatti in Jamkhandi Taluk. His father Shri Mahadevappa Bidari was an agriculturist and Secretary of a weaver's Co-op. Society.

After his education in Government Kannada Boys' School, Banahatti and S.R.A. High School, Banahatti, he joined G.I. Bagewadi College, Nipani and passed P.U.C. in 1970. Later he joined Posts and telegraphs Department and served as a Telephone Operator from 26th July, 1971 to 31st January, 1977. Meanwhile, he obtained B.A. degree in Economics, as an external candidate from the Karnataka University in 1975. He was selected as Probationary Assistant Commissioner in the K.A.S. by the K.P.S.C. He joined service as Prob. Assistant Commissioner on 07.02.1977. After initial training at Mysore, he underwent District training in Gulbarga. In 1978 he was selected for the Indian Police Service and he joined I.P.S. in July 1978 and was allotted to the Karnataka State.

SHRI SHANKAR MAHADEV BIDARI has earned a formidable reputation as a dynamic, dedicated, brave and capable officer right from the beginning of his service. As ASP he suppressed gambling and illegal activities with a heavy hand, displayed rare courage, confidence and ability. He handled serious law and order problems in the face of risk to his life and excelled in prevention, detection and investigation of crimes. He served with distinction as SP in Mandya, Chitradurga, Tumkur, Bellary, Railway Police and Dharwad Districts and brought about impressive improvement in the Police administration of these districts.

In 1982 he was hand-picked to serve as SP Mandya District when the district was seriously afflicted by communal disturbances, farmers agitations, labour agitations and caste conflicts. By his hard work, bravery, administrative and investigation skills and ability to lead his men, he restored order in Mandya District and ensured that General Elections to the Assembly in 1982 were held peacefully. In 1988, when Tumkur District was in flames on account of a dispute in a religious institution, he was posted as SP Tumkur District. He dealt with the situation boldly and impartially with a firm hand and restored order in the district.

In 1990 as SP Bellary, he ensured that his district remained as the only incident-free district when all the districts in the state were affected by serious and widespread communal disturbances in the wake of Ram Shila Yatra. His role in suppression of antiTamil riots in 1991 in the wake of notification of interim award of the Cauvery Tribunal and implementation of the Supreme Court Orders in the Kabini Dam area in 2002 earned widespread appreciation.

He organised, supervised and personally led the investigation in the sensational and serious cases like the Mahalakshmi Train Dacoity cases, nation-wide racket of diversion of railway wagons, arrest of a number of dacoity gangs and detection of more than 200 dacoities which had taken place through out South India, cases of highway dacoities in Bellary District and arrest of several other gangs of robbers, chain snatchers, smugglers and the racket of smuggling of ammunition to PWG in Andhra Pradesh from Goa, large scale theft of components in HMT factory and numerous burglaries and chain snatching cases.

As DCP Headquarters, Bangalore City, he played a key role in the arrest of LTTE militants Shivarasan and Shuba who were wanted in Rajiv Gandhi murder case. With a small team, he traced and arrested 10 ULFA militants who were hiding in Bangalore City and wanted by Assam Police. In September 1990, he made a bold attempt to nab a wanted terrorist of Andhra Pradesh by name Bimala Naik who was hiding in a farm house near Bellary and in the encounter, Bimala Naik was killed. He served as an Escort Officer to late Shri Rajiv Gandhi, the then Prime Minister of India during the SAARC Summit in 1986.

In February 1993, he was posted as Commander, Task Force, Malaimahadeshwara Hills to trace and arrest the notorious sandalwood smuggler, elephant poacher and killer Veerappan and his gang members when the force was totally demoralized after repeated terrorist acts committed by the gang. In this challenging assignment, he worked hard in a systematic manner with zeal, determination, courage and gallantry in extremely difficult circumstances in hostile and difficult terrain for a period of three and half years. He led his force from the front against the gang in a number of encounters. The gang which was having more than 150 members, 135 firearms and 3 tonnes of explosives in 1993 was decimated to 5 members by April 1996. Under his leadership, 60 gang members were killed in various encounters and 126 gang members and harbourers were arrested and 58 cases were registered and investigated and charge sheeted. Four of the arrested gang members were convicted to death sentence by the Supreme Court. He recovered more than 3 tones of explosives and 126 fire arms. Fortitude, courage, gallantry, investigation, intelligence and leadership skills, displayed by him in this operation are exemplary and unprecedented in the annals of the Indian Police. For his outstanding work, the Government of Karnataka rewarded his team with a cash reward of Rs.8 crores and a personal reward of Rs.160 lakhs. In recognition of the conspicuous courage and gallantry displayed by him in the operations, he was awarded the First Bar to the police Medal for Gallantry by the President, on the Republic Day, 2011.

He was selected to serve as Dy. Inspector General of Police, Intelligence in June, 1996. He was promoted to the rank of Inspector General of Police in 1998 and was continued in the Intelligence branch as IGP. As DIGP Intelligence, he formulated the proposals for the formation of seven districts and ably assisted the then Chief Minister late Shri J.H.Patel with intelligence inputs in the field of maintenance of law and order, prevention of communal incidents, matters related to Cauvery river water dispute and sharing of Krishna river water, with drought situation and administration of the State. He streamlined the efforts to deal with and detect the foreigners over-staying in India.

He visited Israel, France and United Kingdom as a member of the State Government Delegation and studied the police systems in these countries in 1996. He also visited USA as a member of the Central Government Delegation and studied the AntiTerrorist measures taken in the USA in the year 2003.

In October 1999, he was posted as IGP, Planning, Research and Special Units. He attended to the work of planning and reallocation of the Police Force, creation of new Police Stations and improvements of the State Police administration.

In the year 2000, he was posted as IGP, KSRP. He attended to the work of providing infrastructure to all KSRP battalions and improving the discipline, morale and expertise of the Karnataka State Reserve Police. In 2002, he was specially deputed to deal with a serious agitation of farmers in the context of the orders of the Cauvery River Water Dispute Tribunals, at Kabbini Dam in H.D.Kote Taluk of Mysore District. He handled this agitation with distinction and earned encomiums from the Justice Mohd. Anwar Commission of Inquiry.

In 2004, he was posted as IGP, Central Range. He improved the administration of the districts in Central Range and supervised the bandobust arrangements for elections to the Grama Panchayats, Taluk Panchayats and Zilla Panchayats. He supervised the investigation in Nelamangala liquor tragedy cases and ensured the arrest of all the persons who were responsible for the liquor tragedy. He took initiative and detected large-scale cultivation of poppy in Kolar District.

He was promoted as ADGP in August 2005 and was posted as ADGP Administration in the State Police Headquarters. As ADGP Administration, he brought about impressive improvement in the administration of the State Police Department.

He was posted as ADGP, Law and Order in June, 2006. As ADGP Law and Order, he took initiative to curb and control the activities of the Maoists in the Malnad districts of the State and to improve the performance of the Anti Naxalite Force. A number of Maoists were arrested and some of them were killed in the encounters with the Police parties. He put down rowdiness in Shimoga and Belgaum districts with a firm hand. He paid special attention to restoration of communal harmony and suppression of communal elements in the coastal district of Dakshina Kannada (Mangalore). He organized and supervised the bandobust arrangements in connection with the agitation that took place in the wake of publication of final award of the Cauvery River Water Disputes Tribunal. He organized and supervised bandobust arrangements in connection with the General Elections to the Karnataka Legislative Assembly in May, 2008 and ensure that the elections were conducted in an exemplary manner and peacefully. It is to his credit that during his tenure as ADGP, Law and Order, not a single incident of Police firing took place in the State of Karnataka. He strived hard to establish the Coastal Security Police on a sound footing. He handled the spurious liquor tragedy, which claimed 200 lives, with dexterity and courage and ensured that all the culprits were brought to book.

After a brief stint as ADGP, Intelligence for a period of one month, he took up the responsibility of serving as Commissioner of Police, Bangalore City on 11th July, 2008. As Commissioner of Police, Bangalore City, has maintained peace, law and order and communal harmony in Bangalore City for the period of 2½ years and maintained the city free from any law and order or communal incidents. He brought about unprecedented improvement in the prevention and detection of property offences and recovery of stolen property. The recovery of the stolen property in the year 2010 in Bangalore City was more than 86% which is a record not only in the country but also in the world. He implemented many innovative measures successfully, like communication of the status of the investigation and prosecution of all cognizable cases to the complainant by SMS, supply of fuel to Police vehicles by petro cards, which has resulted in savings of more than Rs.1 crore per month and held Jana Samparka Sabhas on 3 days in a week with Women Counsellors in attendance to redress the grievances of the public. He brought about impressive improvement in the functioning of the City Police.

He was posted for a brief period as ADGP, Railways in the month of May, 2011. He was promoted to the rank of Director General of Police and posted as DGP, CID in August, 2011. As DGP, CID Karnataka, he supervised the investigation of many sensational cases including a case referred by the Hon'ble High Court regarding scam in Karnataka Public Service Commission. He was appointed as DG & IGP (Head of the Police Force) Karnataka in November,

2011. As head of the Karnataka State Police Force he extended the Arogya Bhagya Health Scheme to the parents of serving Police personnel and got the Government approval for enhancement of the ex-gratia payment to the families of the Policemen who die while in service from Rs.3 Lakhs to Rs. 10 Lakhs. He brought about all round improvement in the working of the Karnataka State Police. In the month of March 2012, he was transferred from the post of the DG & IGP (Head of the Police Force) on account of a High Court Order which held him responsible for alleged violation of certain human rights. He preferred an appeal in the Hon'ble Supreme Court which gave the judgment in his behalf. He retired from service after 42 years of distinguished service, in May 2012.

For the last 42 years, he has served the State with honesty, sincerity, dedication and zeal of a very high order and has displayed outstanding investigation skills, courage, dedication and leadership qualities. His performance in the Police Administration, maintenance of law and order, communal harmony, protection of weaker sections, prevention and detection of crimes, VIP Security, Police Welfare and anti terrorist operations has been consistently outstanding.

Many reputed institutions and associations all over the State have honoured him with titles like "Vishwasari", 'Kayasari', "Basawashri" award carrying a cash component of Rs.5 Lakhs by Shree Murga Mutt, Chitradurga in the year 2012 in recognition of his distinguished service to the society, "Tippu Sultan Award", "Sri Vishveshwaraiah Award", 'Pride of Karnataka', 'Shishunala Shariff Award', 'Kumara Rama Award', Karnatakashri Award", "Mallikarjun Mansoor Award", "Sangolli Rayanna award", "Dr. Ambedkar Award",. In recognition of his public services, he was conferred the Hon. Degree "Doctor of Laws" by the Gulbarga University in February, 2012. He is married to Dr. Umadevi Bidari, M.B.B.S., DGO who served in the Karnataka Health Department as a Specialist upto 2001. He is blessed with a daughter and a son. His daughter Smt. JEEVAN DARSHAN PROGRAMME 2017-18

Sri C. S. Anand Rtd Army Officer

The first JeevanDarshan Programme for the academic year 2017-18 was organized on 3rd August 2017 at 10:15 AM in front of our college library building. In this programme,

Sri C.S.Anand, Rtd Army Officer from Dharwad was invited to inspire our students to develop confidence, life skills, values and leadership qualities among our students.

Addressing our students, Chief Guest called upon our students to develop definite goals and continuous put hard work to realize that goals and develop life skills in achieving their goals.

Understanding the present mental condition of student life, who are not prepared to do any hard work in the academic studies and not having definite goal or dream in life. Sri Anand in his speech appealed our students to have definite dream to enjoy life. For this every student should always put questions for themselves that how to achieve perfectness and success in the different stages of life and how to live the life independently without anybody's support and thereby contribute best to the nation. For this purpose, each student should have definite goal to success in life and must put hard work for achieve that throughout life.

Mr.C.S.Anand tries to motivate and inspire our students by citing the example of success stories of Smt.Jyothi Reddy from Telengana who started her life as a labourer in agriculture, strived hard with her determination and definite goal by doing external graduation and computer knowledge became Software Engineer in the American Software company and there by earned name fame and developed her economic status by earning in terms of dollar even with all adverse conditions in her personal family life.

As India is consists of highest number youths, there is wonderful and golden life opportunity ahead. For this, every students should develop a beautiful dream, good skills, respect others and express gratitude to others and be prepare to hard work to contribute something in the life. In his conclusion wards, chief guest advises our students to respect advises of parents and teachers in the path of success and be thankful to them and strive hard to realize your dream. Be proud of our parents and country and think and adopt always the principles of "Sarva Jana SukinoAbhavantu".

The programme was begin with prayer song and Shanti Mantra and ended with the patriotic song “Ye Mere VatanKe Logo” and followed by the national song. The programme was much useful in inspiring our students.

JEEVAN DARSHAN PROGRAMME 2017-18

Dr. Gururaj Karjagi popular Educationist, great orator

On 14th Sept, 2017, Jeevan Darshan Programme was arranged for our students at 10:15 AM in front of our college library building. As a part of our best practice, to create

students personality and make their life meaningful and constructive, this time we have invited **Dr. Gururaj Karjagi**, who is always having very much concern and expectation from the students to our programme.

Dr. Gururaj Karjagi, in his special lecture highlighted how life values of child's are shaped and moulded by the parents and in the family atmosphere "Let the home should bloom the mind and heart of child".

In his one and half hours speech, he underlined the role of parents and good family atmosphere in reshaping child's mind and heart just natural stone is converted into statue, which is fit for worship. A well cultured and good family background definitely helps to the students in becoming a good and responsible citizen to the nation. Thus the students along with their degree certificates and also should learn 'true values' of life, from their parents and from their family. This in turn helps them to contribute to the family, society and nation at large.

Dr. Karjagi highlighting the important role their parents asked our students to respect their parents which gives a total satisfaction and in turn you will get a lot of love and affection from the parent.

Analysing the parents their family atmosphere he said, the majority family atmosphere is controlled and destroying either by TV serials or by the Whatsup and Facebook activities. Hence, in this situation unless parents understanding importance personal intimate relationship among family members, parents will not be role model to their son and daughters in developing the good family atmosphere.

Every student learns his habits and behaviours from the family atmosphere. His life, good health depends on the good food and healthy drinks. In this connection he created awareness among our students that how

much in what way Pepsi and Gobi Manchuri is harmful to the individual. Thus, the stressed to have a good life one must have a good drink and healthy food.

In this programme around 1500 our students and sister institutions have took part and benefited from his speech. The events begin with the prayer song by Kum. Gouramma Kumbar, BA III Semester and following the Shanti Mantra.

The programme was attended by the Trust Secretary, Retired Principal, different faculty members, students and non teaching faculty. After the speech programme a student's interaction with the chief guest was held at the college seminar hall. The feedback from the students is positive one.

After the speech programme, a student interaction with the Chief Guest was held at the college seminar hall.

ಯುವಕರು, ವಿದ್ಯಾರ್ಥಿಗಳು ಮನೆಯಲ್ಲಿನ ತಂದೆ-ತಾಯಿಯನ್ನು ಗೌರವ ಪಾಠಗೊ ಪ್ರೀತಿಯಿಂದ ಕಾಣಬೇಕು. ನಮ್ಮ ಮನೆಯ ಸುತ್ತಲಿನ ಪ್ರದೇಶವನ್ನು ನಾವು ಸ್ವಚ್ಛವಾಗಿಟ್ಟರೆ ನಮ್ಮ ದೇಶ ತ್ವಂದ ಕಾನೇ ಸುಧಾರಣೆಯತ್ತ ಮುನ್ನಡೆಯಲಿದೆ ಎಂದರು.

ಇತ್ತೀಚಿನ ದಿನದಲ್ಲಿ ಅನಿರೀಕ್ಷಿತ ಕುಟುಂಬಗಳ

Dr. C R Chandrashekhar
Psychiatrist & Retired Professor
Department of Physiology,
National Institute of Mental Health & Neurosciences, Bangalore

Dr.C.R.Chandrashekhar, a Famous Psychiatrist from Kanataka has turned 60 on Friday. To mark this day "Kannada Vaidya Saahitya Parishat" has conducted a function yesterday in Bangalore.

I got an opportunity to attend this useful Felicitation programme yesterday evening.

Lot of Doctors from all over Karnataka had come to attend this function along with lot of fans, writers and people from all walks.

Dr. C.R.C as he known to readers is born on December 12, 1948, in small town of Channapattana in a middle class family.

He is known as the first person to write about psychiatry in Kannada. Till now he has written 159 books.! Out of which 107 books are related to Psychiatry.

I was surprised to know that his books have been translated to few languages like Urdu, English & Gujrathi also.

He is not only a Doctor, Psychiatrist, also a good Speaker who has given a lot of programmes in Radio & Television. He is very simple living and high thinking person.

Today we can see people suffering from depression, tension & other diseases related to mind.

Psychiatrists are playing a major role in curing these diseases through medicines & counseling.

It was a memorable function as lot of books related to health, sex, Ayurveda, Homoeopathy were on display and sale and there was a discussion & lecture by eminent personalities.

JEEVAN DARSHAN PROGRAMME 2017-18

Dr. C. R. Chandrashekar great psychology writer

(SPECIAL LECTURE BY DR.C.R.CHANDRASHEKAR, PSYCHATIST AND DIRECTOR NIMHANS INSTITUTE, B'LORE)

On 24th Oct, 2017, a special lecture by **Dr. C. R. Chandrashekar** on 'how to develop mental ability, skills and self confidence' among the students was organized at 10:30 AM in front of the college library building was arranged by the Red Cross Wing of our college.

As education process is the mental process of student that requires good mental health, to treat our students mentally, we hearty invited Dr. C. R. Chandrashekar, a great writer, on various issues of psychology and thereby tries to build mental ability and self-confidence among our

students.

Dr. C. R. Chandrashekar addressing our students gathering said, students has to learn & acquire different types of knowledge in their life span. They are book knowledge, health knowledge, General knowledge and with the help of these 3 types of knowledge one can lead independent and dignified life by adjusting to the society and fulfill our needs of life.

He again made to convince our students to have successful students life, each student should have good memory and knowledge. This can be achieved by registration of information, recording of information, recalling and remembering registered and recorded knowledge. Specially at the time of exam, interview. He further said that all these stages are important to develop & improve the mental caliber of student. As examination is the crucial stage in students life, he stressed on. Students should be free from exam tension, anxiety which kills the memory power of the student. Hence avoid the fear of exam and have the positive thinking either in the test or the university exam and not worried about results. In this connection, he narrated the dialogue between Sri Krishna and Arjun in the field of Kurukshetra.

In his speech, he also stressed for the importance of good health in the students life. To keep good health asked to take easily digestible food and fruits and avoid junk foods. Do regular exercise and prayer to get mental peace and positive thinking.

Later, he held the interaction with students and clarified the problems and doubts of students which are mainly of how to develop self-confidence, improve memory and techniques of positive thinking. In all the students' feedback to this programme was good motivating to the students in developing their self confidence in achieving their selected goals.

JEEVAN DARSHAN PROGRAMME 2017-18

Dr. Rajashekhar Patil, Principal, Government PU College, Bhagyanagar

On 19th December 2017, at 10:30 am, Jeevan Darshan Programme was arranged in front of the college library building. In this programme, **Dr. Rajashekhar Patil**,

Principal, Government PU College, Bhagyanagar was invited to address our students on the topic known as 'Healthy Mind and Healthy Attitude', especially in the stressful life.

In his one hour speech, Dr. Rajashekhar Patil addressing the students explained about the why everyone in the society is living stressed life which causes many health related problems like BP and Sugar etc., and how to overcome from it at the beginning starting from the student's life.

At the outset, he accepted the fact that everybody is living stressed life – to overcome this problem – both man's mind and man should be strong enough to face the problems confidently fearlessly. Just like 'an expert driver of the car, who pass out the vehicle from the road traffic safely because the car driver's mind & body is properly trained in that direction. Those who lack expertise and concentration in the driving will be in always face problems and lead stressed life. In this sense, he appealed our students to develop self-confidence and hard work to reach their definite goal without much stress or pain.

He further said that man is facing both internal and external stress and everyone should identify the reasons for it and asked to find solutions themselves. Students always should decide the first their definite goals and put constant efforts according to their expectation. Expectation without effort leads to failure which in turn stress in the students life. Thus, in his concluding his speech, he asked

students to be attendance in the class regularly studies the various subjects with full concentration. So that reproduces it in more accurate and convincing manner to achieve success.

The programme was very much useful in motivating our students to develop their personality without much stress life. As many more than 300 students were benefited from this programme.
